INFORMATION ABOUT THIS SERVICE

Description

Alltel 1300 numbers are virtual business numbers that can be called for as low as the cost of a local call. These numbers receive incoming calls and redirect them to an existing phone line (“answerpoint”) such as a mobile or landline.

Smartnumbers are distinctive phone numbers that are considered ‘the best’ 13, 1300, and 1800 numbers available. These inbound numbers come in the form of phone words which spell out your business name or service e.g. 1300 ALLTEL (1300 255 835), and numbers that come in repeating or sequenced numerical patterns e.g. 1300 50 10 50.

Minimum term

There is no minimum contract term, but termination and/or transfer charges apply if the service is cancelled within the first 12 months.

We require 30 days advance written notice to cancel this service or port away to another provider. Without written instructions from you, we will not approve port out requests from another carrier.

Inclusions
