## INFORMATION ABOUT THIS SERVICE

### Description

Alltel RECEPTION CONNECT is a live answering service that manages all your calls; and works as an overflow, after-hours, or emergency answering service by redirecting your calls to our Australian-based call centre whenever you need it. Professional live operators answer calls for you, take messages, and forward messages to you via email and even SMS if required.

RC CONCIERGE is a complete live answering service where live operators check your availability before connecting the call to you. If you are unavailable a message is taken and provided via email & SMS.

Booster features can be added to your service for a fully customised solution.

### Minimum term

There is a one month minimum term for this service.

### Cancellations

We require 30 days advance written notice to cancel this service.

### Inclusions

We allocate a unique local phone number (DID) for each service which can be used to forward your existing landline or mobile calls; or can be used as an answer point for 1300/1800 numbers. This is an internal system number which is subject to change & remains the property of Alltel. We strongly recommend that you do not advertise or publish your live answering DID number.

### Qualifications

To receive SMS and email notifications you will need an active mobile number and email address.
