INFORMATION ABOUT THIS SERVICE

Description

Alltel 1300 & 1800 numbers are virtual business numbers. 1300 numbers can be called for as low as the cost of a local call, while 1800 numbers can be called for free. Both receive and redirect calls to an existing phone line ("answerpoint") such as a mobile or landline.

Smartnumbers are distinctive phone numbers that are considered 'the best' 1300 & 1800 numbers available.

These inbound numbers may be phone words which spell out a business name or service e.g. 1300

ALLTEL (1300 255 835), or numbers with repeating or sequenced numerical patterns e.g. 1300 50 10 50.

Minimum term

There is a one-month minimum term for this service and we require 30 days' advance written notice of cancellation. Termination and/or transfer charges apply if the service is cancelled within the first 12 months.

Cancellations

We require 30 days' advance written notice to cancel this service.

Inclusions

Basic Australia-wide and standard time-based routing are provided with your 1300/1800 number at no additional charge. Compatible services and features are included with your PRO plan as standard.

Business Intro

Play a recorded introduction at the start of every call. Professional recording (20 words) starts at \$49. Longer scripts to be quoted.

Voice2Email

Access your voice messages via email with an online voicemail service.

Voice Prompt Menu (IVR Menu)

Give callers the ability to route their own calls based on a keypad selection (ie. Press 1 for Sales...Press 2 for Support).

Call Whisper

Be notified by a pre-connection announcement of which calls come from your inbound number.

Call Recording

Record and listen back to calls anytime you need it. Read about the applicable legal requirements under the Other Information section.

Missed Call Alerts

Get instant email notifications for every missed call on your 1300/1800 number.

Date Exceptions

Redirect calls to alternate numbers or your Voice2Email service on public holidays or scheduled annual leaves.

Time Zones

Assign the appropriate time zone for your business to ensure that your time and day based configuration is accurate.

Advanced Call Routing

Simple, Simple & overflow, Time & day based, Pin code, and Area code routing are included in this plan for free.

Exclusions

Any phone calls received on your 1300/1800 number will be charged at the applicable call rate.

Qualifications

An existing phone service is required as an answerpoint for this service. Calls can be answered on landlines, mobiles, and VoIP phones.

Please refer to our [Complaint Handling Policy](#).

Alltel is not responsible for any calls made to a customer's inbound / DID number and charges incurred because of the following:

- Your number is very similar to another company's phone number
- The caller misdialled the number and was after another company
- Call forwarding error made by another service provider to your DID number
- Number is incorrectly advertised by another business
- Telemarketing calls
- Excessive test calls

Telecommunications Industry Ombudsman ("TIO")

You should always contact us first if you experience any problem or are unhappy with our service. We'll do our best to solve your problem during our first contact with you. Note that the services of the TIO are free of charge.
