

Hosted Voice (VoIP)

This is only a summary. See full product details at <https://www.alltel.com.au/business-voip>.

INFORMATION ABOUT THIS SERVICE

Alltel SmartConnect with Cisco Webex is a full-featured business phone system that delivers basic telephony and enterprise-grade features over the internet. Choose from plans which allow you to make unlimited calls to local, national and mobile numbers in Australia. All users on an account must be on the same plan (either standard or unlimited). All unlimited plans are subject to our [Acceptable Use Policy](#).

Hardware

We offer a range of telephone handsets for purchase that are not network locked. We do not provide support for hardware purchased from other vendors, and we cannot guarantee the operation and compatibility of phones not purchased through Alltel.

Minimum term

There is a one-month minimum term for this service and we require 30 days advance written notice of cancellation.

Inclusion

Along with basic telephony, your hosted phone service comes with a set of features. These may vary, depending on the plan selected.

Direct In Dial Number ("DID")

Each service is assigned 1 DID that customers use to call your business. More DIDs can be purchased for \$2.50 each/pm ex GST.

Voice2Email ("V2E")

Receive sound files of your voicemails via email

Call forwarding

Redirect calls to an alternate number whenever you're unavailable (based on specific conditions).

Exclusions

Professionally-recorded greeting

Greet callers with a professionally-recorded message before the call is connected to you. Pricing starts at \$85 (for up to 30 words).

Number transfers

Number porting charges may apply to transfer existing phone numbers (regular landlines/VoIP) to use with this service.

Qualifications

Internet access

You will need a suitable high-speed internet connection capable of 100 / 100 Kbps throughput speeds per active call.

Emergency services

SmartConnect may not be appropriate if you require uninterrupted access to 000 or other emergency services. The service will not function in the event of a power failure. Priority Assistance is also not available on this service.

INFORMATION ABOUT PRICING

All prices exclude GST.

OTHER INFORMATION

Managing your service, including usage information

Log in to Alltel's customer portal at, my.alltel.com.au, any time to view your services, track your usage, access reports, and access your bills.

Call Recording

It is a legal requirement that you inform callers before they are recorded that you will be recording the phone call so that the caller has the opportunity to either end the call or else ask to be transferred to another line where recording does not take place. The caller must be given sufficient opportunity to do so, otherwise the call must not proceed.
